

SR Jazz Combo Auditions

Auditions will be held Saturday after you audition on your main instrument. Rehearsals this year will be during Senior small ensemble time. If chosen for Honor Jazz, you won't have a small chamber ensemble. If your instrument is listed below, sign up in consecutive slots.

What's required of you in audition? You will play a jazz blues head or a jazz standard of your choice. Play the melody and solo for a couple choruses or until we ask you to finish. You will be accompanied on piano (pianists may also be accompanied by left-hand bass unless you request to play solo).

Final instrumentation to be decided; in other words, we may not use all these instruments.

Saxophone

Bass

Trumpet

Drumset

Trombone

Piano

Guitar
